September is an exciting month for MIX IT UP as we get closer to the release of Issue 3. Issue 3 was originally scheduled to come out this month but we had to push it back due to lack of advertisers. Not to worry, we are still working hard at making this the best issue yet! Issue 3 will bring the focus back to the North Bay (Sonoma, Marin, San Francisco). It will focus on more local things here in the North Bay, going out, places to go, things to do, and more.
